

Children's Day-Sunday, June 12, 2011

Children's Sunday School will meet in Calvin Hall at *9:00AM sharp* to honor the retiring teachers of our Mommy/Daddy With Me class.

***Donna Stauffer** has blessed our children's ministry by dedicating **48 years** to the teaching of some of Jesus' little children, the toddlers!

***Ellen Hafer** has blessed our children's ministry by dedicating **35 years** to the teaching of some of Jesus' little children, the toddlers!

These teachers will long be remembered by now adult and child members of this congregation for telling Scamper puppet stories that help us learn the Bible stories, the good-bye song, learning to share our toys and play with other toddlers, sitting on the sofa that was just the right size for ME!, putting stickers on a chart, separating from Mommy and Daddy for an hour, sitting on the steps during the Christmas pageant, sharing a yummy snack, and feeling the love of Jesus shared with me at my church. Through their ministry, it is estimated that over 400 children were introduced to church as a place we wanted to meet our friends in Jesus, as well as our friend-Jesus!

Adults should plan to attend the 10:20AM Worship Service so that they, too, can have the opportunity of thanking and honoring our retiring teachers.
